

## **CRAIG JOHNSTON**

### **Vice-President, Corporate Strategy Development & Marketing**

Craig Johnston is Vice-President of Corporate Strategy Development and Marketing for Oklahoma City-based OGE Energy Corp., the parent company of OG&E, a regulated electric utility, and Enogex, a midstream natural gas pipeline business. Craig joined OGE Energy Corp. in late 2007.

An energy veteran with over 25 years experience, he most recently served as Senior Vice President – Worldwide Oil & Gas Market for Air Liquide; a Paris-based manufacturer and marketer of industrial gases. Prior to joining Air Liquide, Craig held a wide variety of positions in process engineering, refining operations, economic optimization, business planning, strategy management, and business development during a 20 year career with ConocoPhillips.

Craig has a Bachelor of Science degree in Chemical Engineering from the University of Oklahoma and a Masters of Business Administration from the Jesse H. Jones Graduate School of Business at Rice University. He has also completed the Trailblazers Leadership Program™ at the London Business School, the Enterprise Leadership Program at the Darden School of Business - University of Virginia, Leadership at the Peak at the Center for Creative Leadership and the Utility Executive Program at the University of Idaho.

Craig and his wife Becky reside in the Oklahoma City area. They have two sons currently attending college.
